

It will get you home quickly.  
But you'll want to take your time.

The long route is always the best way home in the Infiniti M. Its smooth V6 Diesel engine and 238 hp with 550 Nm of torque deliver raw power, seamless acceleration, and pure exhilaration, while its carefully sculpted lines and sensual interiors intensify the pleasure of driving. Finally, a decent excuse for being late.

## The new Infiniti M Diesel.

• HIGH-SPEC WATCHES

EDITED BY JIM HILL

The PC's translucent panels are made of Ecoresin, which contains recycled plastics

1 DESIGNER COMPUTING  
PurePC Pure Luxury PC

PurePC partnered with architect Matthew Kim of DARWINmachine to ensure the Pure Luxury stood out. The result is a modular design with transparent cowling that reveals the components beneath. An aluminium backbone acts as a heat sink; the electronics are attached to the frame for easy access. \$9,500 [pureluxurypc.com](http://pureluxurypc.com)
